Summer Camps

This summer Wildwood Racquet Club is promoting tennis camps to better serve our members and guests. Juniors may select one camp or as many as eight camps throughout the summer. NEW: Register for more than one week and receive a 10% preferred price for additional weeks. There are no make ups or pro-rated camps.

The camp format for each level will be: skills, drills, and match play daily. Each camper will receive one camp t-shirt and a daily snack. The class times are longer this summer to allow coaching in match play. Juniors will learn or review: rallyball, scoring, positions, singles, doubles and strategies. Juniors will grow their games with each week they participate.
